

CONQUEST HD115

RIDE-ON POWER SWEEPER

CONSISTENT, POWERFUL SWEEP

The sturdy, powder-coated steel construction and compact scale promotes outstanding strength and manoeuvrability. HD115 delivers consistent results with low maintenance costs thanks to the reliable hydraulic system, reducing the lifetime cost of ownership.

With your choice of Diesel (D), Petrol (B), Battery (E) or Gas (LPG) powered models, this is the industrial cleaning machine you've been waiting for to solve your large area floor cleaning challenges.

HD115

HD115 power sweeper packs advanced features into a convenient and effective ride-on floor cleaning machine.

Features & Benefits

- The direct throw sweeping system pitches debris directly into the hopper.
- 6m² washable polyester filter lasts up to five times longer than filters in comparable machines.
- Self-levelling, spring loaded brush enables HD115 to clean across multiple surfaces without stopping to manually adjust brushes.
- Electric filter cleaner with simple switch activation to automatically shake the dust out of the filter, into the waste hopper.
- 180L waste hopper with hydraulic dump height of 1320mm allows for longer sweeping periods.
- Hydraulic direct drive with fewer moving parts reduces potential maintenance concerns.
- Featuring Hydrostatic transmission which utilises a single foot pedal for forward and reverse control.
- Solid tyres which cannot be punctured or lose pressure over time, requiring less maintenance.

Technical Specifications

	HD115LPG	HD115D	HD115E
Cleaning Width	1050mm sweep path with main broom and one side broom	1050mm sweep path with main broom and one side broom	1050mm sweep path with main broom and one side broom
Theoretical Cleaning Capacity	9,100m ² per hour (max. speed)	9,100m ² per hour (max. speed)	8,450m ² per hour (max. speed)
Power Supply	11 HP GX Honda engine with LPG conversion	1 cylinder, 10HP air cooled, Lombardini engine	6 x 240Ah deep cycle batteries
Waste Hopper Bin Capacity	180L with hydraulic high dump	180L with hydraulic high dump	180L with hydraulic high dump
Filter Type	6m ² polyester filter	6m ² polyester filter	6m ² polyester filter
Variable speed	0-7Km/hr	0-7Km/hr	0-7Km/hr
Machine Dimensions	1820 (L) x 1080 (W) x 1360 (H)mm	1820 (L) x 1080 (W) x 1360 (H)mm	1820 (L) x 1080 (W) x 1360 (H)mm
Weight	605kg	570kg	710kg
