

CONQUEST HD90

RIDE-ON POWER SWEEPER

MANOEUVRABILITY & RELIABILITY

The large puncture-proof wheels, wheel-out debris hopper and superior dust control, all work together to take the effort out of sweeping.

With one main broom, a single side broom and an optional on-board vacuum this industrial floor sweeper perfect for medium to large commercial and industrial spaces, delivering a dust-free clean every time.

HD90

Designed with all the latest technologies, the HD90 offers long periods of sweeping in all conditions.

Features & Benefits

- The direct throw sweeping system pitches debris directly into the hopper.
- Heavy duty, powder coated steel construction corrosive resistant body, built to withstand the harshest operating environments.
- Horizontal filter allowing dust to fall naturally out of filter during shaking.
- Self-levelling, spring loaded brush enables HD90 to clean across multiple surfaces without stopping to manually adjust brushes.
- Electric filter cleaner with simple switch activation eliminating the need to remove it from the machine.
- 65L powder coated steel waste hopper with large size allowing for longer use before emptying and resists cracking and warping.
- Main and side brooms can be raised and lowered at the flick of a switch.
- Solid tyres which cannot be punctured or lose pressure over time, requiring less maintenance.
- Increased turning capacity and manoeuvrability with an overall length of 1453mm.

Technical Specifications

HD90E	
Cleaning Width	900mm sweep path with main broom and one side broom
Theoretical Cleaning Capacity	6,500m ² per hour (max. speed)
Power Supply	4 x 6V, 240Ah batteries
Waste Hopper Bin Capacity	65L
Filter Type	3.5m ² panel filter
Variable speed	0-6.4Km/hr
Machine Dimensions	1453 (L) x 897 (W) x 1230 (H)mm
Weight	425kg

HD90P	
Cleaning Width	900mm sweep path with main broom and one side broom
Theoretical Cleaning Capacity	6,500m ² per hour (max. speed)
Power Supply	4 x 6V, 240Ah batteries
Waste Hopper Bin Capacity	65L
Filter Type	3.5m ² panel filter
Variable speed	0-6.4Km/hr
Machine Dimensions	1453 (L) x 897 (W) x 1230 (H)mm
Weight	425kg

Conquest Equipment Group brings together Conquest Industrial, Conquest Fleet and EcoTeq Outdoor under one unified banner.
