6 ways for Warehouse Operations Managers
and CFOs to maximise EOFY KPIs

6 TIPS FOR WAREHOUSE & OPERATIONS MANAGERS TO MAXIMISE EOFY

The key to successful business is great communication, so this guide aims to provide Warehouse Operations managers with ways to talk your CFO's language.

1

MAKE THE MOST OF YOUR WAREHOUSE EOFY TAX BENEFIT OPPORTUNITIES

- With the Federal Government's instant asset write-off scheme being extended until June 2022, there has never been a better time to upgrade your cleaning equipment. You can claim a deduction for each asset that costs less than the threshold that applied when the asset was first used or installed ready for use. Speak to your accountant or tax professional for advice tailored to your individual circumstances.
- You can buy multiple assets under the Instant Asset Write-Of Scheme and with historically low Interest rates you can increase warehouse operational efficiency and reduce the amount of tax you pay as a result.

2

CLEAN UP YOUR BALANCE SHEET WITH CUSTOM RENTAL OPTIONS FOR YOUR INDUSTRIAL CLEANING

- Deploy your capital according to business growth priorities by experiencing the best of both worlds with Conquest's fully flexible rentals and finance options.
- Fully Flexible on term length, fully flexible on specification and fully flexible on returning machines at any point in the fixed term.

3

GET MORE OUT OF YOUR CAPITAL BUDGETS BY RENTING YOUR INDUSTRIAL CLEANING EQUIPMENT

- Renting capital items, such as cleaning equipment, with a single fixed monthly payment can help free up cash and resources.
- Conquest has flexible options and an extensive range of floor sweepers and scrubbers to suit the needs of your warehouse or industrial facility.

4

CLEANING MACHINE TRADE-IN DEALS CAN REDUCE YOUR WAREHOUSE CAPEX SPEND

- Trade-in deals help save you money on your warehouse capex budget.
- Conquest refurbish floor sweepers and scrubbers to give equipment a second life, so we actively encourage and offer generous trade-in deals.

5

BUYING REFURBISHED INDUSTRIAL CLEANING ASSETS IS A SAVINGS WIN-WIN

- Save on capex spend and help the environment by giving an existing machine a second life.
- Conquest refurbished cleaning machines represent great savings .
- A refurbished machine will come to you in excellent condition and is supplied with a warranty, having been refurbished by factory trained technicians.

6

REDUCE YOUR INDUSTRIAL CLEANING EQUIPMENT ROI RISK

- Conquest's guarantees provide certainty that our commercial cleaning assets will last the distance and provide you with confidence around capex assets ROI forecasts.
- A 100% customer satisfaction guarantee and a 60 day money back guarantee provides you with peace of mind.
- We also offer comprehensive on boarding and training to get the best from your machine for the life of the investment combined with flexible, scheduled service and maintenance.
